NOTICE OF MAINTENANCE CURFEWS FOR OCTOBER

INDIANAPOLIS—The Indiana Rail Road Company has announced the following operating curfews due to seasonal maintenance and capital improvement projects. Unless otherwise noted, all curfews are in effect Mon.–Fri. from 0800 through 1800 Eastern Daylight Savings Time. For questions regarding service adjustments at your specific terminal area, please contact your customer service agent (see contact information above), marketing department representative or your terminal trainmaster. **Refer to the attached schematic map for zone locations.**

DATES	SUBDIVISION	ZONE(S) AFFECTED	MILEPOST LOCATIONS
Oct. 3–14	Indianapolis	G	130.0 – 155.0
Oct. 11	Chicago	J	180.7
Oct. 12–13	Indianapolis	H	127.1
Oct. 17–31	Indianapolis	G	130.0 – 155.0
Oct. 23–26	Chicago	K	240.4

NOTE: October curfews will not affect switching jobs with on-duty point at Marathon Robinson Refinery.

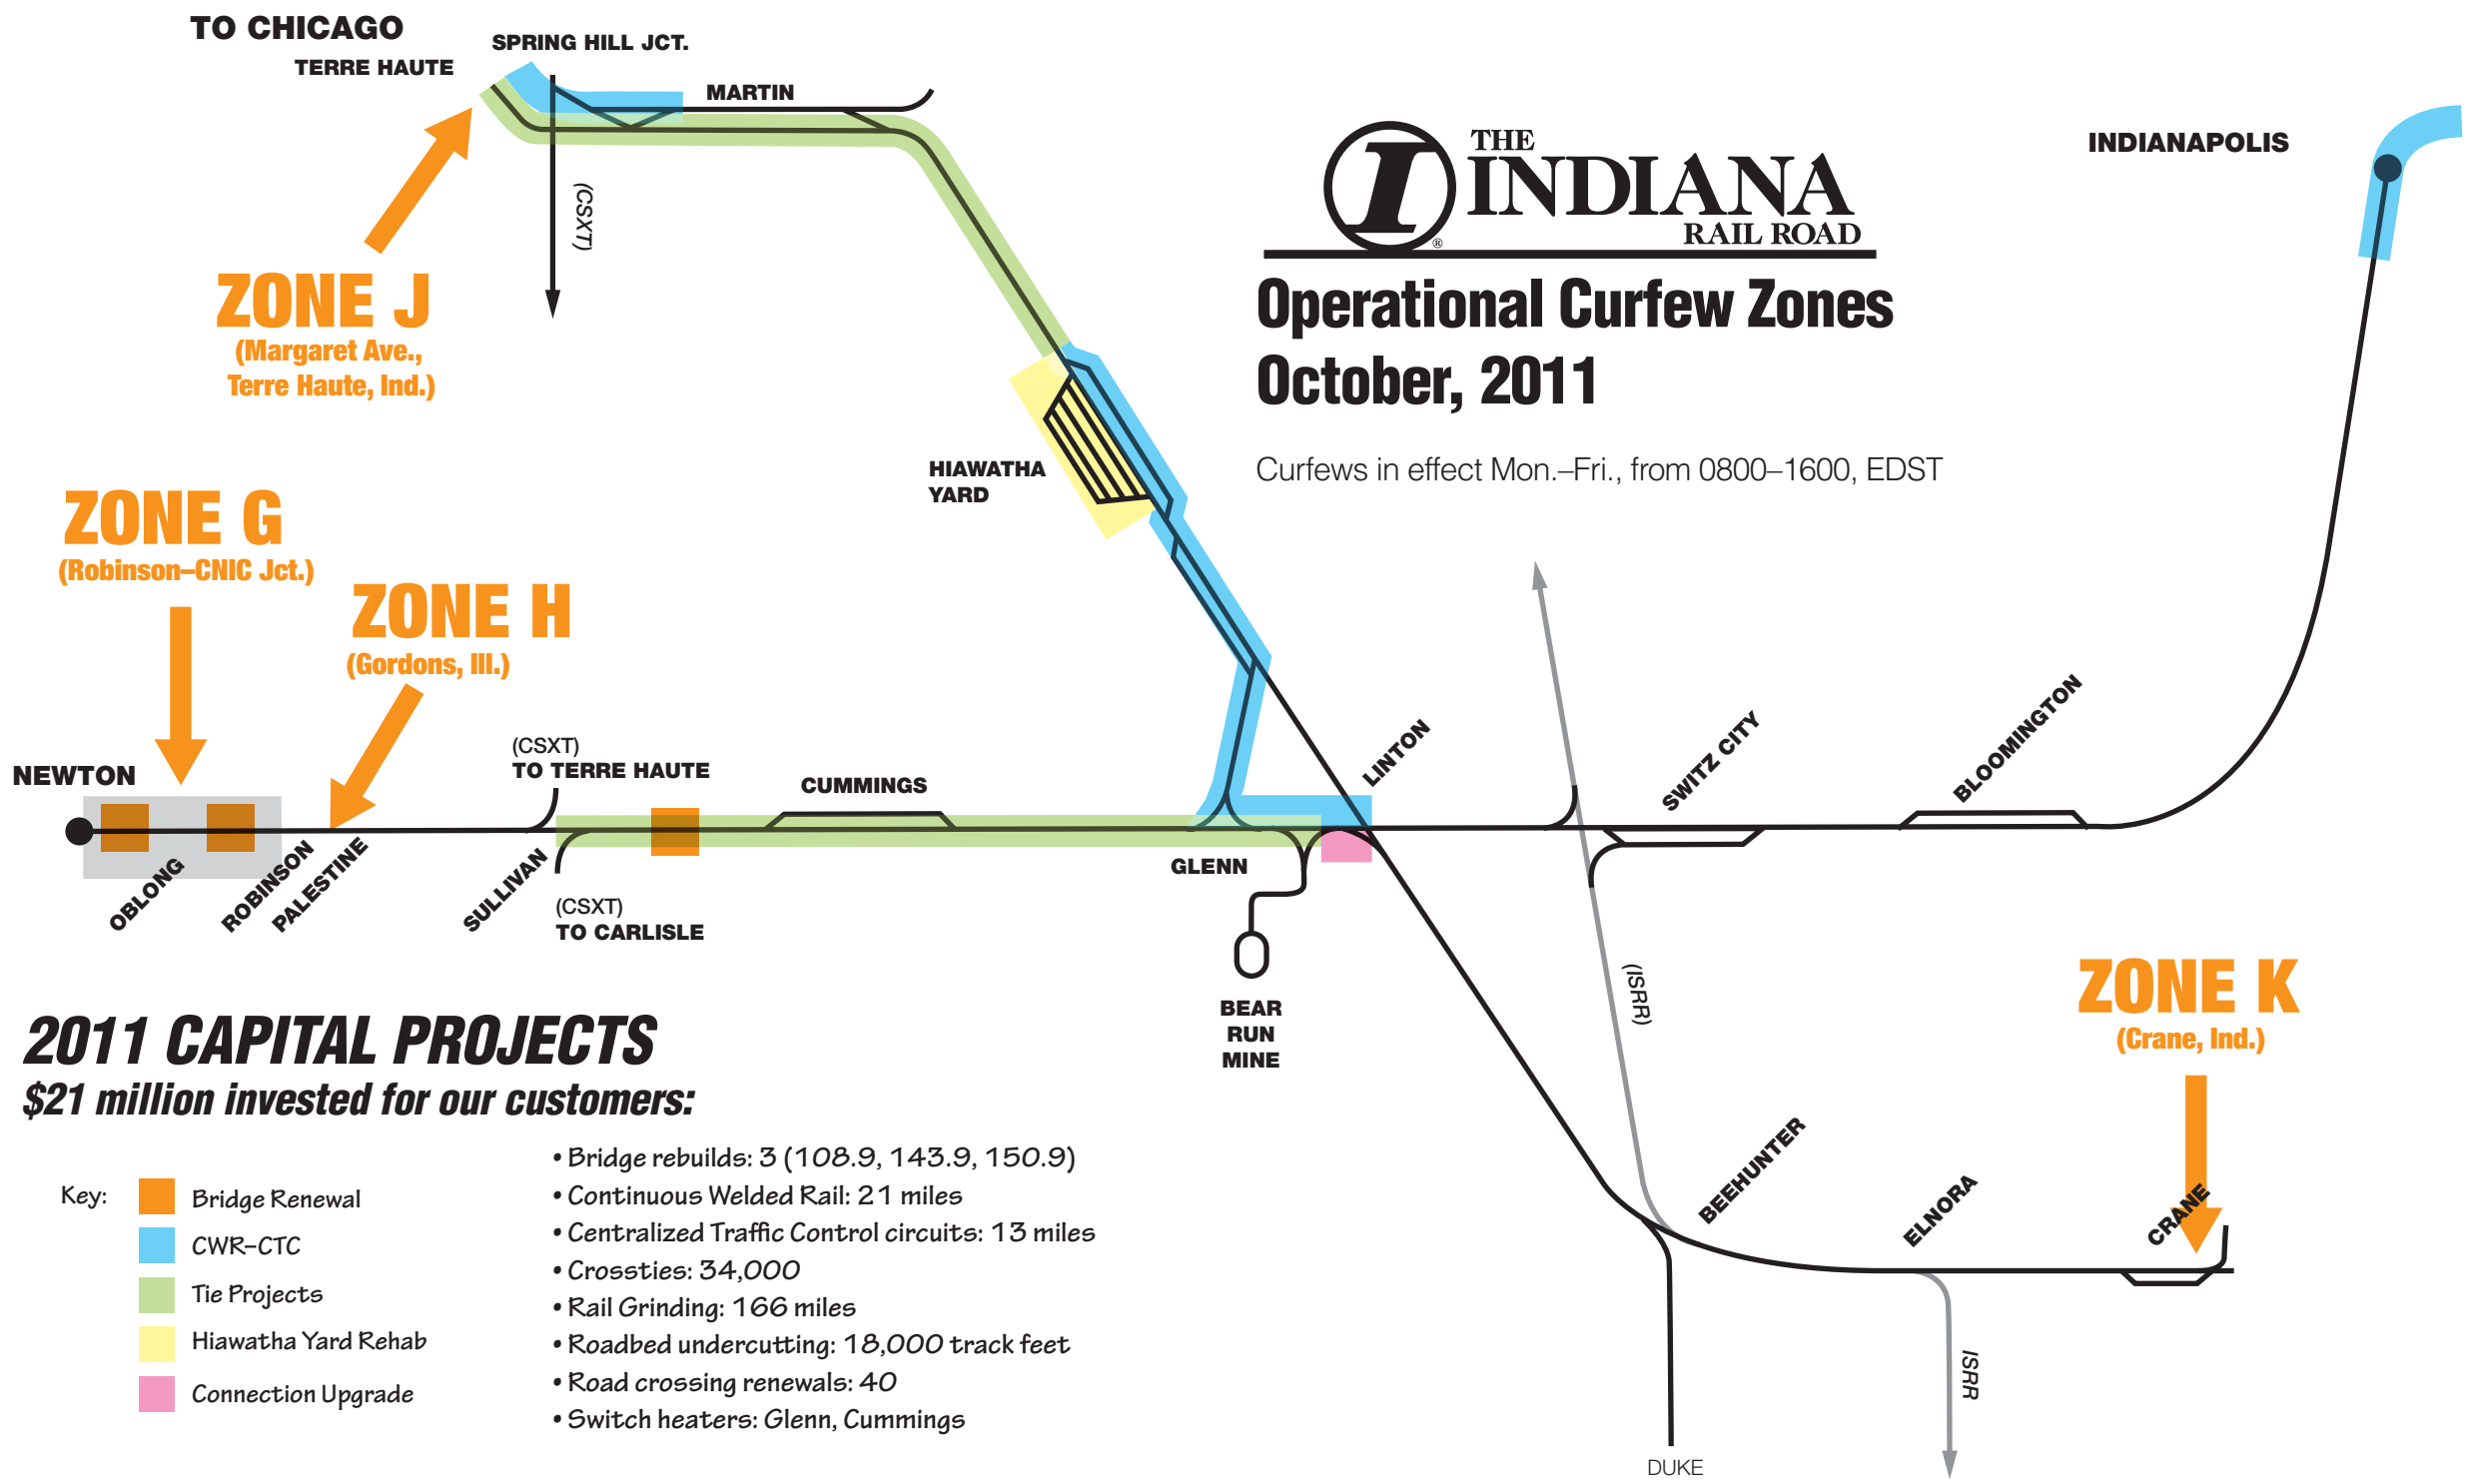

All schedules are subject to revision; updates will be distributed and posted.
Latest service bulletins are available for download in PDF format on our web site: www.inrd.com.
